Determined Admissions Arrangements for Camden School for Girls

Sixth Form – September 2026

The Admissions System

Each year the school admits a minimum of 140 external students into Year 12 of the sixth form for a two-year linear A Level course. The actual number of places available to external students joining the school in Year 12 depends on the number of internal students continuing into the sixth form.

How places are allocated to external students

The basic qualification: All applicants must have an academic grade verification from their current school stating their predicted grades. These must in all cases include GCSEs at grade 6 or above in English language and mathematics, and three other GCSEs at grade 6 or above. To study Further Maths students must be predicted a minimum of grade 7 in GCSE mathematics.

Places will first be offered to applicants meeting the basic qualification (and any higher individual grade requirements in relation to their specific subjects) who have an Education Health and Care (EHC) Plan naming the school (issued by their local authority).

Places will then be offered in the following order:

1. Looked after¹ and previously looked after² children

Looked after children or children who were previously looked after but immediately afterwards became subject to an adoption, child arrangement, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Applicants having a sibling³ living at the same address and already attending the school at the time of admission.

In cases where multiple siblings tie for the last place, then all will be offered a place, even if this exceeds the planned admission number.

3. Applicants who can provide evidence of an exceptional social or medical need that only Camden School for Girls is able to meet.

Such applications will only be considered if the case is made known to the school and supported by appropriate evidence at the time of the original application. This will normally be in the form of a letter from a suitably qualified professional such as the applicant's doctor, consultant or social worker.

The remaining places will be allocated to those applicants meeting the basic qualification who live closest to the school and for whom places on their chosen courses are available.

Distance to the school is measured in a straight line ('as the crow flies') from the centre of the pedestrian gate in the perimeter fence on Sandall Road and the permanent address at which the applicant normally resides at the time of the application. The school will carefully verify the permanent address of the applicant.

Once applicants have been ranked according to distance, places will be allocated in order of closeness to the school, subject to the following procedures.

1. Once the places available for a particular course of study have been filled, any other applicant who has chosen that course will not be considered for admission, regardless of whether places are available on other courses that the applicant has chosen.
2. In the unlikely event of more than one applicant being tied for entry under these criteria, the place will be randomly allocated. This process will be independently verified.

The furthest distance that successful applicants live from the school varies from year to year and depends upon the varying demand for individual courses.

The school reserves the right to withdraw courses that fail to recruit in sufficient numbers.

All students not offered a place will be put on the waiting list. As places become available, they will be offered to the students on the list in distance order, provided that their courses are available.

The Application Timetable

- Application forms will be available from **Tuesday 18 November 2025**
- An Open Day and Evening will be held on **Tuesday 18 November 2025**
- The deadline for completed applications is midday, **Wednesday 14 January 2026**
- We will notify applicants and parents if a reference is not received by **Wednesday 11 February 2026** which is 14 days before the deadline. It is then the responsibility of the applicant to follow up our reference request from their current school.
- On receipt of applications, academic references are sought by the school from the applicant's current school. The final date for receipt of the reference is **Wednesday 25 February 2026**
- Conditional offer letters will be sent by **Thursday 2 April 2026** requesting a reply by **Wednesday 22 April 2026**
- All applicants who receive a conditional offer will be invited to attend a 'Welcome Evening' at the school to give students an insight into the ethos of the school and to meet some of the sixth form teachers.

- **Students who are not originally offered a place because they were not predicted the required grades or due to distance from the school, will be invited to attend a Supplementary Enrolment Session on the official Enrolment Day if (a) they do achieve the required grades (b) are still interested in a place.**

Conditions

All places offered are subject to the following post-acceptance conditions:

1. The applicant must provide documentary proof of having in fact obtained GCSEs at or above level 6 in English language and mathematics, and three other GCSEs at grade 6 or above.
2. The applicant must provide documentary proof of having in fact all relevant entry requirements.
3. The applicant must produce proof of address in the form of a copy of their parent/guardian's current council tax bill.

Any applicant who is unable to satisfy these conditions will not be admitted to the school.

Should you wish to appeal, you can find details of the independent appeals process on the school's website.
